Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

DECLARATION UNDER 37 C.F.R. § 1.132

1. I, Rebecca Redman, am a co-inventor of the subject matter disclosed and claimed in the above referenced patent application.
2. I, Rebecca Redman am a co-author of Kollef *et al.*, "Phase I Safety and Microbial Kinetic Study of Oral-Topical IB-367 Rinse and Gel in Intubated Patients Receiving Mechanical Ventilation," Abstract #100069, presented at the Society of Critical Care medicine 30th International Educational & Scientific Symposium, February 10-14, 2001.
3. I, Rebecca Redman, am the sole inventor of the subject matter described in Kollef *et al.*, *supra*, which is disclosed and claimed in the above-referenced patent application of which I am a co-inventor.
4. The other authors of Kollef *et al.*, Marin Kollef and Kathy Jensen, worked under my direction and supervision and are not co-inventors of the subject matter described in Kollef *et al.*, *supra*.

Application Serial No. 10/075,924
INBI-009/01US

5. I, Rebecca Redman, hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
